NOTES

EO12958
1.5C 3.4(b)(1)

LATIN AMERICA: [REDACTED] outlined a joint Southern Cone counter-terrorist program called "Condor," which included the assassination of leftist targets resident in Western Europe. Argentine, Chilean, and Uruguayan personnel were to have been responsible for activities in Europe, but a [REDACTED] indicates that these countries have decided not to proceed until Brazil indicates whether it will join in the European operations.
